

CorFun Wholesale Store Goes Mass Market

CorFun today opened it's Wholesale Store to small orders. Previously, the wholesale store had been restricted to use by approved fundraising organizations only. The CorFun wholesale store still remains a place where organizations conducting fundraising can buy merchandise in bulk.

However, now anyone can enjoy the same low prices and great service while buying in personal quantities.

Olan Chancy, CEO of CorFun, explained the move:

We kept getting requests from our fundraisers to buy small orders to either try out the system or to just get a couple of personal items. This opens up that opportunity.

The CorFun wholesale store includes 8 categories of products ranging from Belt Buckles to Crafts and Hobbies. CorFun will now sell all of these diverse products at wholesale to the general public.

As Henry Bentley, the head of merchandising for CorFun pointed out:

We truly have something for everyone. With the holidays coming up, now is a great time to get some of the best deals on the Web!
